Dear Mr Mauler
I received your letter the 26th
confirming the Eagle playing here
sometime in April.

Yes I would be glad to have the
Eagles and as many other clubs in your
league as possible to play here. As ~~one~~
the fan here are very anxious to see major
league base ball, and also I have a few
players I would like for some league club
to be in action.

Our season starts on Easter Monday
that is a very good day here. Wish you could
accept that date, as any date after that
except Saturday or Sunday. Inel times 50¢
gross gate receipt or 60¢ net, and I
will take care of the city expenses.
Yours in sport
J Deas
